## The Connector

### *The Director's Heart*

God is so amazing! He has brought new students to HDS over the passed 4 weeks. Thank you for your prayers and your help spreading the word about our studio. We still have room to grow so please take some of our complimentary class certificates from the front desk and pass them out to your friends and family.

Powerful is the word to use when describing this years Christmas program "Gifts". You do not want to miss this performance. From the manger to the resurrection we are reminded about the gift that was given to us and how that even in our everyday life, when we are distracted and far from God, He is always there. With the use of secular and Christian music you will see how Satan pulls at us, but God always sends His angels to help us make a choice.

What will your gift to Jesus be this year? This is not the traditional holiday program you are used to seeing but it will bring meaning to the true reason for Christmas. Please be in prayer for protection for our cast and production team as we move closer to this performance.

Hoping to Glorify Him,

Debbie

### *This Month's Focus*

*Be known for the beauty that comes from within...*

Don't be concerned about the outward beauty that depends on fancy hairstyles, expensive jewelry, or beautiful clothes. You should be known for the beauty that comes from within, the unfading beauty of a gentle and quiet spirit, which is so precious to God.
