The Connector

The Director's Heart

Let me begin by telling you how excited I am about what God is doing here. He is opening many doors of opportunity for our studio to be involved in the community as well as bringing new students in the studio every day. It is wonderful to have the studio full of smiles and laughter.

Please continue to help us grow by spreading the word about our dance classes so we can continue to spread His word through dance in our community.

Continue to pray for growth, community events and for God's direction to be continually revealed to me. It is by His strength HDS stands strong and we want to keep our focus on Him!!

Hoping to Glorify Him,

Debbie,
