The Connector

The Director's Heart

HAPPY NEW YEAR!! I hope that everyone had a wonderful Christmas and a great New Year. With a new year comes a desire for God's direction to be revealed in every area of my life and of course the studio is no exception. There are many events scheduled between now and June and with each event comes planning and preparation. We recognize that without our parent volunteers none of these events are possible and so we are forming a Special Events Team. This team will help plan and participate in our upcoming events scheduled for this year. (Events schedule is on the brochure and the website) This "Team" will be a great asset to me and the staff. If you are interested in serving on this team sign up at the front desk and you will be contacted soon.

I am also excited about preparing for our recital. All of our classes will begin learning their dances so please are sure your student is in attendance each week. Please be in prayer for your students' teacher to have direction and guidance in preparing their dance so that God's word will be heard.

God revealed Himself in a mighty way through the Gift's performance and I know he will continue to the end of this dance season.

Your continued support amazes me! Keep spreading the word about HDS so we can continue to reach more kids for Christ.

In His Love,

Debbie

Stepping Up

Thank to all the parents who helped to make Gift's performance a success. I wanted to share with you an email from one of our guest Kathy Lowery:

"just a note to say how all of you Blessed my family with your beautiful production—I know hours and hours of work and rehearsals took place and that many details were worked on-- The final result was not only beautiful and fun- but inspiring –Please tell all your students and helpers what a wonderful Christmas Gift we were give in getting to see this portrayal of God's love, and that their hard work was a blessing to us."
