## The Connector

### *The Director's Heart*

Let me begin by thanking all the students that auditioned for our 2008 Christmas program "Gifts". The excitement is stirring about this program. This program is not traditional; it sets your focus on the manger, the cross, and the resurrection, as well as proving that everything we do, can glorify the Lord.

Please continue to help us grow. We are 20 students away from reaching our goal for this dance season. We encourage you and your student to invite friends, neighbors, and relatives to join us for a free complimentary class. We have created passes for you to give away to students you think of. We hope this will be a great tool to help welcome new students; the passes are available at the information desk.

Continue to pray for growth, our community outreach, and for God's direction to be continually revealed to me. It is by His strength HDS stands strong and we want to keep our focus on Him!!

Hoping to Glorify Him,

Debbie
